IN SEASON'S HATSANDGARMENTS Braid, Bullet Buttons, Cockades, Helmet Shapes and the Like Accentuate the Dominant Thought-Some Popular Suits and Trimmings.

The military note is marked this season in both milliner, and garments. Many of the leading hat shapes are on the heimet order, while cord, cockades and other ornaments suggest the dominant note of war.

In apparel, the designers have gone so far as to evolve the Preparedness suit, a clever adaptation of the national colors, it's skirt of medium width, trimming of silk military braid, the coat with gathered back, belt also a braid-trimmed, and side, patch or pouch pockets.

Again, there is the bullet coat, in the pockets, and the limit army belt and dashing finish of bullet buttons.

A hat on the helmet order is of hemp in sand tint, and has for trimming a natty cockade of mingled scarlet, blue and gold stiff bristles.

Sulphur is a tint which holds its own this spring. A mushroom shape in sulphur and purple had for trimming French how knots in narrow purple velvet and tiny bunches of French fiewers.

purple velvet and tiny bunches of French flowers.

Another high military hat was of sand Georgette, with trimming of sand green and orchid shaded flowers.

Horsehair hats continue in the lead for dressy occasions. A heir hat on

for dressy occasions. A hair hat on the Gainsborough order, in black, had for its rich adornment a black para-disc, and an elegant iv. motif. The cherry and the grape have lost none of their old-tim, popularity for trimming. One hat see, yesterday was a Milan hemp, mushroom shape, with crown of reseds and black brim. The crown was trimmed with bunches of glased cherries in black and red. A swagger rose saling in Georgette had a double brim, bondeau of fine flowers, and for trimming glace grapes

Miss Madeline Marquardt, daughter of Mr. and Mrs. Henry E. Marquardt of Groton, was hostess at a linen shower Saturday afternoon in honor of Miss Esther Spicer, whose engagement of Henry Erail of Poquonoc has been announced.

Blowers, and for trimming glace grapes and foliage.

Grapes appeared again on a model with black lisere crown, with pink hemp and black lisere brim. This hat was trimmed with grapes in blue, lavenum announced.

and black.
On still another hat, this time of Leghorn, with Persia, crepe facing, and with crown adornment of Alice blue velvet riboon in true lovers' knots. blue velvet ribbon in true lovers' knots, there was effective brim trimming of grapes in pastel shades.

The wise ones are selecting these and similar attractive models while the styles are new and exclusive.

There is no advantage in deferring the choice of either garments or headwear until everybody eire has had the pick of the stocks.

Do your pre-Easter buying today, after gaining hints from the sage suggestions in which The Bulletin's advertising columns abound.

A Beacon Falls correspondent notes that John W. Rice who has been on official duties for the Connecticut Agricultural college at Storrs, making tests at the Wallace Holstein Cattle Co., at Wallingford, for several weeks returned Friday to his home at Hillcrest farm.

Nathan Pumerantz, a tailor of New London has filed a petition in bank-ruptcy in the United States district court in Hartford, showing liabilities of \$12,491. He has \$145 of available assets and othe rassets of \$12,130 in unliquidated insurance claims for fire loss in 1913.

New Feature.

New Feature.

DR. SHAHAN REMOVED FROM OFFICE

Has Been Unfaithful in Discharge of His Duties as City Milk Inspector Is Alleged in Charges Outlined in Finding Presented to Common Council by Mayor Brown-Albert C. Freeman, M. D., Appointed as His Successor-Many New Sidewalks Are Ordered and Hearing Set for April 2.

On grounds of unfaithfulness in the performance of his duties as city milk inspector, Dr. Dennis J. Shahan was on Monday removed from office and the office declared vacant by Mayor Allyn L. Brown. Such was the announcement made by Mayor Brown at the special council meeting held in the council chamber on Monday evening for the purpose of opening a hearing on the new sidewalks ordered for Thames street. A recommendation made by Mayor Brown that the salary of the milk inspector be cut from \$900 a year to \$600 a year was made the substance of a resolution introduced by Alderman Dolbeare. The resolution was adopted as presented. Another resolution introduced by Alderman Dolbeare approved the mayor's appointment of Albert C. Freeman, M. D., as city milk inspector.

The announcement of Dr. Shahan's removal was made by the mayor after the sidewalk hearthg had been declared closed. It follows:

"After a careful investigation of the administration of the office of milk inspector of the city of Norwich, during the period since September 1st, 1915, by Dr. Dennis J. Shahan, the incumbent of that office, I have been convinced by the facts so learned that it is my duty, as mayor of the city of Norwich, to remove Dr. Shahan from the office of milk inspector for cause. I have accordingly today made such removal as will appear more specifically by a finding in the matter to be presented to the council tonight, and the office is therefore now vacant.

I believe that proper milk inspection should be had in this city at a cost of \$600 per year, plus \$100 for expenses, as heretofore. While the present vacancy exists I therefore recommend that a resolution be adopted, fixing the salary of the milk inspection hereafter at the rate of \$50 per month, instead of \$75 per month as heretofore. I find upon inquiry that such a salary will compare favorably with the salaries paid in other cities of the state for the same sort of work.

The Mayor's Finding.

The finding referred to by the mayor

The Mayor's Finding. The finding referred to by the mayor was read by City Clerk Arthur G. Crowell and is as follows: On February 27th, 1917, the follow

ing communication was mailed to Dr. Dennis J. Shahan, No. 317 Main street. Norwich, Connecticut, by registered letter, postage prepaid, to wit: "Dr. Dennis J. Shahan, Milk Inspector of the City

No. 317 Main Street,

No. 317 Main Street,
Norwich, Connecticut.

Dear Sir: Because of complaints which have been made to me as mayor of the city of Norwich, of the manner in which you have been conducting your office as Milk Inspector of the city of Norwich and in consequence of the vour office as Milk inspector of the cap of Norwich, and in consequence of the facts which have come to my attention in the course of my investigation of these complaints, I am considering the

This is therefore to give you notice that I shall be in the mayor's office in the city hall. Norwich, Connecticut, in the city hall, Norwich, Connecticut, at 10 a.m., Friday next, March 2nd, for the purpose of giving you an opportunity to be fully heard with regard to the manner in which you have been conducting your office during the pear.

You will also take notice that the grounds upon which the matter of your removal are being considered are (1) incompetency, (2) unfaithfulness in performance of your duty, and (3) the requirements of the public interest of the city.

You will also take notice that the You will also take notice that the more important of the grounds or charges upon which my belief which necessitates this investigation and the consideration of this matter is based are the following:

(1) Of a total of 131 dealers from whom samples were taken and sent to the state laboratory during the period from September 1st, 1915, to January 1st, 1917, at least 32, or nearly 25 per cent. had no license at the time when the samples were taken.

(2) Of a total of 173 dealers who were licensed to sell milk during said

were licensed to sell milk during said period in the city of Norwich no sam-

ples whatever were taken from 74 of (3) Of the probable 180 dealers who are now selling milk in the city of Norwich and who should have had licenses issued to them on the 1st of January, 1917, up to February 22nd, 1917, a total of but 78 licenses were included by the milk increases. 1917, a total of but 78 licenses were issued by the milk inspector and recorded with the city clerk.

(4) From none of the dealers selling milk during said period have samples been taken with sufficient frequency to insure proper inspection.

been taken with sufficient frequency to insure proper inspection.

(5) Where the annalyses received back from the state laboratory have shown milk of inferior quality, either because of lack of a sufficient percentage of milk fat, or a high bacteria count, or a surplus of water, or a high percentage of dirt, no effective measures have been taken to insure measures have been taken to insure an improvement of conditions in these

cases.

(6) No sufficient method of dairy inspection has been carried out and no proper method of following up the suggestions made has been adopted.

(7) The ordinance requiring letters at least four inches high to be displayed on the side of each vehicle used in distributing milk in the city of Norwich, showing the number of the license of the dealer in question, has not been enforced.

not been enforced.

(8) With one or two possible excep-(8) With one or two possible exceptions during said period, no proper or sufficient action has been taken by the milk inspector to enforce the ordinances of the city of Norwich with regard to the sale of milk or the statutes of the state bearing upon the same, in that, during said period the milk inspector has totally falled to attend to prosecutions for violations of the ordinance and the enforcement of the law as he should.

(9) And in general, failure to pronerly systematize and carry out the work of milk inspector in an efficient and effective manner to insure such a milk supply for the city as should be provided by proper milk inspection.

Very truly yours,

ALLYN L. BROWN,

Mayor of the City of Norwich.

February twenty-seventh, Nineteen Seventeen.

a complete answer. It is my hope to amplify this oral statements, records and data at any hearing you may accord me, and to supplement it further by testimony of disinterested persons who are in a position to know something of the duties and obligations of the position I occupy, and who can speak of the results which followed my administration of the duties of the office. Said answer also suggested that notice as to the proper administration of the office would be welcome, that opinions might differ as to the proper methods to be pursued, that 25c samples of-milk had been taken during the period from June 1st, 1916 to February 1st, 1917, that the dairies of the larger producers had been frequently inspected, that the milk inspector considered it the duty of the police and prosecuting attorney to arrest and prosecute those violating the ordinance referred to in paragraph 7 of said notice, that the milk inspector had conferred with the prosecuting attorney with regard to the prosecution of those selling milk in the city without license, and had tried to educate the ripk deniers as to the law by advertisements in the paper, but did not consider it his duty to see that the license fee required by the city ordinance was collected from the dealer, the license to the dealer properly recorded or the II, cense number displayed on the vehicle used by the dealer, and that there had been no epidemic, which could be traced to the milk supply, in the city during the milk inspector's incumbency in office, and that the purity of the milk sold in Norwich has compared very favorably with that sold in other communities, that the milk inspector could aboy what he had done with relation vorably with that sold in other commu-nities, that the milk inspector could show what he had done with relation to the matters stated in paragraph 6 of the notice, that the matter alleged in paragraph 4 of the notice was a mat-ter of opinion, and denying the state-ments in paragraphs 1 and 3 of the

And at said time and place the said Dr. Dennis J. Shahan asked for a continuance of two weeks in which to enable him to prepare his defense. The continuance requested was granted and the time set for the adjourned hearing was 10 a.m., Saturday, March 17th, 1917, at the same place, to with the mayor's office in the city hall at Norwich, and said time was agreed upon by Dr. Shaban and his counsel, and the hearing was adjourned to such time and place.

and the hearing was adjourned to see time and piace.

At 10 a. m. Vsturday, March 17th 1917, at the mayor's effice in the city of Norwich, Edwin W. Higgins, Esq., as attorney for Dr. Denvis J. Shahan, appeared before me and stated that Dr. Shahan had decided that he would be and the state of the state o produce no evidence, nor put in any further defense to the charges made, and the hearing was thereupon ad-journed.

arther defense to the charge and the hearing was thereupon adjourned.

That said Dr. Dennis J. Shahan has been unfaithful and inefficient in the performance of his duty as milk inspector of the city of Norwich, and that the requirements of the public interest of said city demand his removal, and further that the charges stated in paragraphs 1, 2, 3, 4, 5, 6, 7, 8, and 9 of the notice hereinbefore recited are true.

Now. Therefore, because of his unformal to duty, his inefficient admice and the removes the duty, his inefficient admice and the removes of the city of Norwich, and the removes of the city of the

hereby remove said Dr. Dennis J. Shahan from the office of milk inspector of the city of Norwich and the same is hereby made vacant.

ALLYN L. BROWN.

The finding was ordered printed in the journal . Dr. Albert C. Freeman, the new spector, was brought up on a farm and worked on a number of large farms in Vermont, his native state. For three years he was engaged in the wholesale milk and cream business. He is a graduate of the medical school of the University of Vermont.

Thames Street Sidewalk Hearing.

The sidewalk hearing was opened immediately after the minutes of the previous meeting had been accepted and the resolution and sheriff's return on the Thames street sidewalks were read by the clerk.

Edgar H. Allen was the first to take the floor. He said he represented the Amreican Woodworking Machinery company. He was not present to remove the said the said the representation was the floor.

Amreican Woodworking Machinery company. He was not present to remonstrate against the sidewalk order but simply wished information. He inquired as to whether the city will supply them with specifications and a blue print of the grade.

In answer the mayor said the city engineer will set stakes for the grade and will furnish them a copy of the specifications.

specifications.

Ralph Santini was the next to be heard. He said he did not object to the sidewalk order but did not think the award made him by the special committee appointed to estimate the committee appointed to estimate the damages due the property holders with whom the council was unable to agree was quite large enough. He was awarded \$400 for his property taken by the city and with the understanding that he should move and rebuild the wall. He has inquired of a local contractor as to what it will cost him to move and rebuild the fall and was told it would be \$400. This he claims leaves him no damages.

Expense Estimated at \$200.

City Engineer Palmer said the mat ter had been settled by the commission appointed for that purpose. The \$460 was intended to cover the expense of the moving and rebuilding of the wall which was estimated at \$200. This leaves \$200 for damages. The mayor informed Mr. Santini that if he did not feel satisfied with the amount named by the committee he could take an appeal. The council, the mayor said, has no power to change the award as the matter has been settled by the creatial committee. by the special committee.

City Engineer Palmer said he had been requested by Reuben S. Bartlett, adm., of the Potter estate, (bankrupt) to state to the council that inasmuch as the estate is bankrupt and as there is a good concrete walk around the property now he did not feel that he should be required to construct a new walk. Corporation Counsel Browning also made a statement along the same line, saying that he represented Mr. Bartlett, who was unable to be present.

As there were no others to be hear Alderman Casper R. Balley of the public works committee stated that the petition of C. S. Peckham for permission to install a gasolene pump in front of his business on Shetucket street had been granted. The report was accepted.

A petition asking permission to lay a drain or sewer across land owned by Gilbert S. Raymond on Cliff Street

The Falls Avenue Siding

members, mayor and the city engineer to meet the transportation committee of the chamber of commerce relative to the proposed siding for Falls avenue was referred to the public works committee. The communication stated that the matter taken up three or four years ago with the New Haven read had culminated in the road agreeing to build the siding but that they had to give up the project owing to financial difficulties. The matter has again been taken up with the road. It was also stated in the communication that the previous council had granted permission for the laying of the siding.

After hearing the communication read-Aiderman Doltears and that he understood that the matter had been taken up by the public works committee of the previous council. They had

read-Aidcrean Doibears said that is understood that the matter had been taken up by the public works committee of the previous council. They had made no definite report and that the matter had been passed on to the present public works committee as unfinished business. He moved that it be referred to the public works cammittee.

More Sidewalks Ordered.

A petition was presented ordering the following property cwners to lay granolithic or asphal walks, with or without granolithic or bluestone curbs, or regard existing walks with asphalt, or reset and suppor with cement, concrete, good bluestone flags four feet or more in length across the walks, errover existing small first walks, with asphalt, or reset curbs, or either or any of the above things as shall be deemed necessary and proper in the case of each property by the said court of common council, the same to be deemed necessary and proper in the case of each property by the said court of common council, the same to be deemed necessary and proper in the case of each property by the said court of common council, the same to be deemed necessary and proper in the case of each property by the said court of common council, the same to be deemed necessary and proper in the case of each property by the said court of common council, the man to be deemed necessary and proper in the case of each property by the said court of common council, the man to be deemed necessary and proper in the case of each property by the said court of common council, the man to be deemed necessary and proper in the case of each property by the said court of common council, the man to be deemed necessary and proper in the case of each property by the said court of common council, the man to be deemed necessary and proper in the case of each property by the said court of common council, the man to be a said of the property by the said court of the case of each property by the said court of the case of each property by the said court of the case of each property by the said court of the case commissioner of the cay of Norwich, and have said work competed on or before the last day of Lune 1917:

ENTERTAINED OLD SOLDIERS AND RELIEF CORPS.

Sons fo Veterans Arranged Delightful Program for Guests.

Program for Guests.

The Sons of Vetorals entertained members of Sedgwick post, G. A. R., and Sedgwick Woman's Relief corps, No. 16, Monday evening in Buckingham Memorial.

The following program was carried out: Selections by ordenstra; Abby Larkham on Women's Rights, Frank T. Maples; sonf, Mrs. James A. Bidwell; Aunt Melissie on Boys, Mrs. Manning; overture, orchestra; minstrel sketch, Messrs. Rydholm, Sears and Hall; song, Ebel Learned; Uncle Jerry's Cott, Mrs. Manning song, Mrs. James A. Bidwell; marth, orchestra.

At the confusion of the entertainment the Sons of Veterans held a business meeting at which Hon. John H. Buines and George A. Keopler were appointed delegates of the state encampment which will be held in Hartford on April 11 and 12. Charles S. Burke and Henry Peule were appointed delegates. One application for membership was received.

The committee in tharge of the evening's entertainment comprised John H. Perkins, William R. McCord and Eben Learned.

and Eben Learned. GIBSON WILL SPEAK AGAIN AT BANQUET Fathers and Sons to Gather at Y. M

C. A. For Fourth Time. H. W. Gibson of Boston, state Y. M. C. A. boys' work secretary of Massachusetts and Rhode Island, who spoke last year at the father and sons' banquet at the Y. M. C. A., will be the speaker at the banquet this year which will be held on March 30. This will be the fourth annual banquet and it is expected that there will be between 150 to 160 in attendance. Mr. Gibson will speak on March 29 in New London and he will come into this section of the state on the close of a wide speaking tour.

HIS 15TH BIRTHDAY.

Percy G. Cruthers Entertained Mem-Lers of Y. M. C. A. Wireless Club. On St. Patrick's day Percy G. Cru-thers, youngest son of Mr. and Mrs. Abert E. Cruthers, of 196 Washington street, ceisbrated his itth birthday by entertaining a number of his friends,

WHY BE BALD

Thick, Lustrous Hair.

A luxuriant head of hair is God's birthright to every man — to every woman. If your hair is thinning out, splitting, prematurely gray, brittle, difficult to comb, full of dandruff, and your head stokes like med, it's a pretty sure sign the hair roots are diseased and quick action should be taken. Don't wait but go to Les & Osgood Co. and get a bottle of Partisian Sage the really efficient hair grower. Don't say "it's the same old story. I've heard it before" but try a bottle at their risk. They guarantee it to stop failing hair and liching scalp and remove all dandruff of money back.

The hair falls out and no new noir comes in when the hair roots fail to

and Embalmers 337 MAIN STREET Opposite Post Office 'Phone 238-2 Lady Assistant
